Subject: Important Information: Release of Klondike ISD State Accountability Ratings

Dear Klondike ISD Parents and Guardians,

The **Texas Education Agency (TEA)** recently released the annual **A–F Accountability Ratings** for school districts and campuses across the state. These ratings evaluate student performance, academic growth, and how effectively schools prepare students for postsecondary success.

We encourage you to visit TXschools.gov to view our district's specific data, look up individual campus report cards, and explore the detailed metrics that form our overall rating.

What These Ratings Measure:

- **Student Achievement:** Performance on STAAR tests and college, career, and military readiness (CCMR) metrics.
- **School Progress:** Digital growth metrics tracking student improvement year-over-year.
- **Closing the Gaps:** Success in ensuring equitable academic performance across all student groups.

While these accountability ratings offer a data-driven snapshot of our test results, a single letter grade does not completely capture the dedication of our educators or the vibrant learning environment here at Klondike ISD. We remain fully committed to adjusting our instructional cycles, strengthening core competencies, and supporting every child's unique growth.

Detailed performance updates and official documentation are permanently hosted on the [Klondike ISD Accountability and Ratings Page](#). If you have questions about your child's individual progress or our campus strategy, please reach out to your school's principal.

Thank you for your continued partnership in your child's education.

Sincerely,

Klondike ISD Administration
